New Book! “Protection, Aid & Comfort: Insight into the Polygamous Marriage of the Messiah, the Honorable Louis Farrakhan”

Karriem Allah releases book that provides insight into why Allah (God) required and orchestrated the polygamous marriages of the Honorable Louis Farrakhan, the Honorable Elijah Muhammad and Prophet Muhammad Ibn Abdullah.

Newark, Delaware, September 7, 2017: The polygamous marriages of Prophet Muhammad, the Honorable Elijah Muhammad and the Honorable Louis Farrakhan have received significant religious and socio-political criticism, which have besmeared the public image of these Divine Men—particularly, Prophet Muhammad and the Honorable Elijah Muhammad. Many people cannot speak, even intelligently, of these Men without including their controversial polygamous marriages in the discussion. Their private lives have been misunderstood and misrepresented by some who favor them, as well as by those who oppose them.

This book places additional emphasis on the life and work of the Honorable Louis Farrakhan, because, as the Messiah, Allah is guiding Him to transition humanity into the Eternal Kingdom of Peace. This book explains aspects of this Reality.

Considering that Prophet Muhammad, the Honorable Elijah Muhammad and the Honorable Louis Farrakhan openly declared themselves “Servants of Allah,” raised among the people to deliver the divine message of warning and guidance, then their private lives, including polygamous marriages, cannot be detached from their declaration. Their lives are proof of their self-declaration.

The Messianic Prophecies of the Bible and Holy Quran predispose us to the lives of Prophet Muhammad, the Honorable Elijah Muhammad and the Honorable Louis Farrakhan; therefore, these Scriptures serve as the basis for gaining rich insight into the controversial aspects of their lives. This book explains this Reality by answering the following questions:

- Why did Allah require them to have polygamous marriages?
- How did Allah arrange their polygamous marriages?
- How did their polygamous marriages support their “divine mission”?
- How has their polygamous marriages enhanced the spiritual development of the women under their leadership, as well as women throughout the world?
- How has humanity benefited from their polygamous marriages?

This book also illustrates how the polygamous marriages—coined the “Domestic Life” throughout this book—of Prophet Muhammad, the Honorable Elijah Muhammad and the Honorable Louis Farrakhan are intrinsic to the fulfillment of the Messianic Prophecies described in the Bible and Holy Quran. These Prophecies encompass events that include the Coming of Allah, the Advent of the Messiah, the Redemption of Allah’s Chosen People; and the Establishment of Allah’s Eternal Kingdom on Earth through the reformation and elevation of women.
