New Book! “Unqualified Commentators: Scrutinizing the Opponents of the Honorable Louis Farrakhan, the Messiah”

Karriem Allah releases book that censures the “opponents” of the Honorable Louis Farrakhan; while explaining how the Honorable Louis Farrakhan, as the Messiah, is fulfilling aspects of the Messianic Prophecies of the Bible and Holy Quran.

Newark, Delaware, August 30, 2017: For four decades, the Honorable Louis Farrakhan has been among the most controversial public figures in America and throughout the world. He has received extraordinary adulation from millions of people, as well as ardent condemnation from opponents, particularly the mainstream news media and European governments. This book, “Unqualified Commentators,” goes to the root of the Honorable Louis Farrakhan’s divine mission and function; and by doing so, sheds light on the sinister motives of His opponents.

This book illustrates how the Honorable Louis Farrakhan has publicly declared, countless times—in words and deeds—that His mission, function and purpose are rooted in the fulfillment of the Messianic Prophecies described in the Bible and Holy Quran. These Prophecies encompass events that include the Coming of Allah (God), the Advent of the Christ, the Redemption of Allah’s (God’s) Chosen People; and the Establishment of Allah’s (God’s) Eternal Kingdom on Earth. The Honorable Louis Farrakhan has maintained that He speaks from this vantage point, as the representative of the Honorable Elijah Muhammad.

This book shows how those condemning the Honorable Louis Farrakhan often omit this vital information and knowledge—again, which He has exquisitely expressed during the last forty years. How then can those who vilify the Honorable Louis Farrakhan be considered “qualified” in their commentaries about Him when they disregard the facts? Their motives, therefore, stand to be scrutinized; and they face the condemnation they have sought to falsely place upon Him. This book does precisely this.

It is important for you to arm yourself with this essential knowledge!
