KARRIEM ALLAH

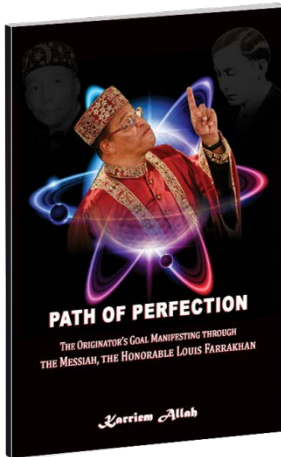

PRESS RELEASE

New Book! Path of Perfection: The Originator's Goal Manifesting through the Messiah, the Honorable Louis Farrakhan

Karriem Allah releases book that provides insight into the Honorable Elijah Muhammad's Teachings on the origin and purpose of the human races, and the solution to the "race problem" plaguing the Earth. In light of the fulfillment of the Messianic Prophecies, this book explains how unity among the races is possible through the acceptance of the Wisdom of the Christ, the Honorable Louis Farrakhan.

Newark, Delaware, October 12, 2017: Anthropologists have theorized about the origin of the human races, as well as the legitimacy of "race" as a worthwhile concept in societies. Despite the plausibility of such theories, no one can deny the distinct differences among human beings, especially as it relates to the natural

inclination to form families, groups, tribes and societies based upon similarities, and not differences. This book explains why racial and ethnic similarities are leading causes of division, in this world, among human beings.

Few people will deny the histories of extreme injustice plaguing the Earth caused by racial and ethnic divisions. Can we agree that, in each generation, people are influenced, even taught, to relate to one another according to their differences, in the context of the quest to survive as distinct races, tribes or groups—often to the detriment of others races, tribes and groups? This book describes the "prejudicial" concepts and doctrines that generate racial divisiveness, in particular.

The horrendous consequences of "racial divides" demand that we learn the truth regarding the origin and destiny of the races. Questions driving our discussion include: Why do races exist? How did races come to populate the Earth? How did the "racist mind" develop? The answers, potentially, can serve as the impetus for securing peace throughout the Earth.

The Honorable Elijah Muhammad revealed the origin of the races; described the biological processes that produced them; and explained why the "race problem" has plagued humanity. This book explains the correctness and relevance of His Teachings on the origin and destiny of race.

This book also illuminates how "race" is intrinsic to the Messianic Prophecies that, in fulfillment, serve as the "Path of Perfection." In this light, we show how peace among humanity is possible through the acceptance of the Wisdom of the Messiah, the Honorable Louis Farrakhan.

It is important for you to arm yourself with this essential knowledge!
