New Book! “Obeying Divine Commands: Toward Understanding the Polygamous Marriage of the Honorable Louis Farrakhan, the Messiah, Part Two”

Karriem Allah releases book address the fulfillment of the prophecies described in Sura 66 of the Holy Quran, regarding the polygamous marriage of the Messiah—why Allah required Him to take women of different ethnicities and ages in marriage and how this generated slander and treachery against Him.

Newark, Delaware, February 21, 2018: Most Islamic scholars agree that Sura 66 of the Holy Quran alludes to the most controversial events in the alleged history of Prophet Muhammad. These events, however, serve as prophecies to be fulfilled in the Last Days, in the life of the Promised Messiah. This book parses Sura 66. As such, it shows that the grave circumstances described in this Sura are borne of the struggle within the Messiah’s family, the Believing Community and the common people to see Him in His proper light. Why is this so?

The Messiah evolves into Divine Power while among the people so that everyone alive during His tenure has the basis for coming to terms with His identity—the Honorable Louis Farrakhan. This book explains how this has/is the Reality of His presence among us.

This book shows that the essence of Sura 66 involves the Messiah’s obedience to Divine Commands; and the disobedience, on the part of others, to follow the moral precepts that Allah established through the Holy Quran—specifically as it relates to upholding oaths, and refraining from secret counsels and slander.

According to the Messianic Prophecies, the Messiah brings all true Believers in Allah (God) in unity with Allah’s Will. HIS Will includes both uniting and separating people. Why separating?

The Messiah is the fulfillment of Allah’s promise to Abraham made in Genesis 15:13—in that, Abraham’s seed would be delivered from their captors after being enslaved and tormented for 400 years. In Genesis 22:18, Allah further declared that through Abraham’s seed, all the nations would be blessed. This is borne of Allah’s Eternal Covenant with Abraham. This book describes the fulfillment of these Messianic Prophecies at this present time.

This book further explains how the Messiah’s unifying mission involves forming alliances and relationships with other “peoples” of the Earth, especially among the Original People. Some of these alliances occur through marriage. Hence, this book describes how the Messiah’s polygamous marriage advances Allah’s Will.

It is important for you to arm yourself with this essential knowledge!
