

PRESS RELEASE

Website Advocating the True Identity of the Honorable Minister Louis Farrakhan as the Messiah, the Christ

Newark, May 23, 2017: Our primary objective is to share the knowledge that proves—through vast research and interpretation of the Biblical and Quranic prophecies, as well as through the Reality of the Life of the Honorable Louis Farrakhan—that the Honorable Louis Farrakhan is the Prophesied Messiah, the Christ.

Karriem Allah has launched a website dedicated to proving that the Honorable Minister Louis Farrakhan is the Messiah, the Christ—in fulfillment of the Messianic Prophecies of the Bible and Holy Quran. The revelation of knowledge provided through this website places a unique perspective on a man whose very public and global work has spanned more than 62 years.

In pursuing these objectives, the information provided through this website is intended to educate people about the origin and validity of the Messianic Prophecies; and the fulfillment of these Prophecies during this time in human history.

The Messianic Prophecies encompass the Biblical and Quranic scriptures related to the Coming of Allah (God), the Advent of the Messiah, the Redemption of the Chosen People of Allah (God); and the Establishment of Allah's (God's) Eternal Kingdom on Earth. Several major religions—Christianity, Judaism and Islam—have these Prophecies at the foundation of their theologies.

Why is the knowledge through this website important? Understanding the fulfillment of the Messianic Prophecies affords us the opportunity to build unity among all religions and peace-seeking people—as stated in Galatians 3:28, "There is neither Jew nor Greek, there is neither bond nor free, there is neither male nor female: for ye are all one in Christ Jesus."

What knowledge is currently available through this website? Dozens of lectures (video) and writings that explain the fulfillment of the Messianic Prophecies and the true identity of the Honorable Minister Louis Farrakhan are currently available.
